OVERVIEW

All cars will all begin at the same time and the first car to complete 200 laps. Pit stops are allowed but they will be made under green flag racing, meaning you will lose your position if you pit. There will be no mandatory pit stops or yellow flags; this is an all green flag race.

TICKET PRICES:

Grandstands: \$10 for adults; Children 10 & under FREE

Pit Pass: \$25 adult; \$15 ages 5-14; 4 and under free

GENERAL ENDURO RULES

Any areas not covered in the rules shall be left to the discretion of management.

- 1) All drivers must be 16 years of age or older. All drivers under 18 years of age must have a signed minor's release requiring a parent or guardian signature.
- 2) A mandatory meeting for all drivers will be held in the pits by the scale before the race is held.
- 3) All cars will be checked for safety rules only before the race. Pit gates will open at 3:00 pm. Cars must be in the tech line by 6:00 p.m. The driver and one pit person are allowed in the tech line. After the race, the top 5 cars will be inspected for rule violations. If any car is found to be illegal for any reason, the driver will be disqualified and not be paid.
- 4) Each driver will draw for his/her position.
- 5) The race will be started with two or three cars abreast.
- 6) Drivers will hold their position until the green flag is displayed.
- 7) The yellow flag will not be used. If there are cars with breakdowns or cars in accidents, the other cars will avoid them while continuing to race.
- 8) The red flag will be displayed if there is a fire, rollover, or the track is blocked. All cars must stop immediately. There will be no assistance from the pit crews who are not allowed on the track at any time. The race will be restarted with the cars in the same position as before the red flag after a 10-second countdown from the announcer and fans.
- 9) If your car is black flagged for any reason, you must exit the track immediately.
- 10) Unless a hazard exists, the driver may not get out of his/her car on the racing surface or service his/her car in the infield.
- 11) In the event your car becomes inoperable, try to get off the track. If you stall, you will be removed from the track as soon as possible by a push truck.

12) The flagman will indicate the middle of the race with cross flags. The white flag will indicate the leader is on the last lap.

13) Driver changes are not allowed.

14) Cars will be allowed to enter pits for repair or servicing during green flag racing only. Pit stops/refueling allowed only in designated areas. Re-entry to the race surface will be allowed as the track officials indicate. During a red flag, the entrance and exit will be blocked.

15) Pit stops in the pit area must be done in an orderly fashion.

16) Disqualification is the penalty for any violations.

17) The first car to complete 200 laps, subject to post-race inspection.

18) The official finish of the enduro will be posted on our Website:

www.doerunraceway.webnode.com

20) Payout: Guarantee \$1,000 to Win no matter the car count, rest of payout depends on car count.

CAR AND BODY RULES

1) Any style cars allowed except for All Wheel Drive, 4-wheel Drive, and Lifted Pickup Trucks

2) Cars must be strictly stock with NO modifications. This includes all engine components, drive train, suspension, ignition system or cooling system, exhaust system, and axles (exhaust system does NOT need a catalytic converter).

3) No chopping, channeling, bracing or shortening of frame allowed (door plates may be used for safety only). No exceptions. Full steel body must remain original and intact at all times. No rub rails or sharp edges on outside of body.

4) Passenger tires only. Wheels and tires must be of like size on all four corners. Tire size: any size original stock rim is acceptable. Max tire width is 7.5". No altering tires in any way. No mud or snow tires (i.e. those designed specifically for mud or snow. Regular road tires that say "M&S" are acceptable). No bias ply tires allowed. No pipes or protectors welded over tire valve stem. Hubcaps must be removed.

5) No turbos (or superchargers) allowed. One stock carburetor (2 or 4 barrel) or fuel injection only.

6) Batteries must be located in original position under hood and securely fastened.

7) Hoods and deck lids must have original hinges or pins/chains keeping them in place or they must be removed.

8) The stock steel floor pan, firewalls, truck floor, and wheel wells must be retained.

9) All cars must have a windshield or, if windshield is removed, car must have bracing over the windshield area covered with mesh. All other glass and trim must be removed including headlights, taillights, and all mirror assemblies. No broken glass allowed in car. Windshield wipers and washers are highly recommended if windshield is intact.

10) Must have steering wheel, steering column and pedals in stock position (removable steering wheels are acceptable).

11) Stock seat allowed but racing seat recommended.

12) Passengers allowed if added and paid for at registration.

13) All doors must be welded, chained, or bolted shut. If driver's door comes open, the car will be disqualified.

14) Bumpers must be chained or reinforced to frame to keep it from dropping onto the track.

SAFETY: For all Drivers and Passengers!

- 1) Fire suit gloves and neck collar highly recommended. If not wearing a fire suit, cotton long-sleeved protection is required. No nylon clothing or nylon shoes allowed.

- 2) Full face helmet required.

- 3) Standard seat belt with no modifications allowed, but highly recommend racing seat belts and harness with a 4 point safety system!

- 4) Rollover Hoop and Driver/Passenger Bars Mandatory. If additional passengers, the car must contain a second rollover hoop and door bars connected to first rollover hoop.

- 5) A minimum of one .095 x 1.75 steel bar to protect driver from side impact is mandatory. One end should be welded halfway up roll and continue to in front of driver's seat. Mounting plate required on end of bar and welded and/or bolted to the floor pan. If bolted, minimum of four ½" bolts on plate. Driver's side door plates are allowed.

- 6) Driver compartment bracing must remain inside driver's compartment and may not pass through any firewall.

- 7) Extra bracing may be installed as a safety feature only and may not reinforce the body or frame or alter the geometry of the car. Roll bar installation is subject to inspection and will be closely scrutinized.

- 8) Gas tanks located above or in front of rear axle do not have to be relocated. All others must be replaced with a fuel cell (maximum 12 gallons) or boat tank (maximum of 6.6 gallons). Fuel cell/boat tank must be secured and located in the front of the trunk. The fuel line must exit from the top or side of cell/boat tank. A complete firewall must seal the trunk area from the driver's compartment if the fuel tank is placed in the trunk. No gas line in driver's compartment.

All cars with an OEM frame must have roll bar attached to frame.

Cars without frame use 6" square 1/8" steel plates on top and bottom of floor, securely bolted together with at least four 3/8" bolts, or top plate welded to rocker sill.

Maximum of 6" from roll bar to driver's helmet.
Maximum of 5" from top of roll bar to brace.

All materials must be 1 3/4" O.D. x .118" mild steel or .083" 4130 chrome moly tubing, except **A**, which is 1 1/4" O.D. x .118" mild steel or .065" 4130 chrome moly tubing.

MISCELLANEOUS

- 1) Mascots, decorating cars, advertising, nicknames, cartoons, etc. are encouraged. Mascots and decorations must be secured to not fall off on track during racing.
- 2) No suggestive language, symbols, or numbers allowed on the car. Anything on the car in bad taste will mean disqualification.
- 3) Your car number should be painted on both sides of the car in contrasting colors at least 18 inches high and 5 inches wide. It must be legible and fill the entire door space.
- 4) No 2-way or 1-way radios or cell phones may be used by driver, passenger, or pit crew
